

Declaration of CE conformity Declaration of performances

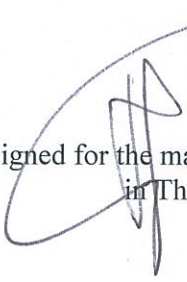

Declaration number 26

Vynex, 22 Grand Rue 08350 Thelonne, France, herein represented by Mr. Hervé Hacot, President and Chief Executive Officer, who is duly authorised to execute this document as the representative established in the European Union on behalf and for the account of the manufacturer C1 (identification data in the appendix available at Vynex), declares that the products "Rocket terrace screws" listed on page 2:

- fall within the purview of Standard EN 14592+A1 : 2012-Wood structures – Setting elements – Requirements, and conform to appendix ZA of standard EN 14592;
- fall within the type-3 conformity system, and underwent the initial tests at Strojirensky Zkusebni Ustav, s.P., (Engineering test Institute, Public Enterprise), located at Hudcova 424/56b, 621 00 Brno, Czech Republic, registered at the European Commission under n° 1015 ;
- have performances that conform to the reports regarding N° 30-15253/1/JD tests conducted by Strojirensky Zkusebni Ustav., indicated in the « Test synthesis » table on page 2, and regarding the labelling that accompanies the EC mark when such is relevant;
- derive from a production process that is verified in plant under the manufacturer's responsibility. Vynex, as the representative established by the manufacturer, retains the records of in-plant production verification of the products.

This declaration of conformity remains valid as long as the conditions specified in standard EN 14592, or the manufacturing conditions, have not been subject to changes that might modify the performances to be declared.

Signed for the manufacturer and on its behalf,
in Thelonne, January 08th, 2021,
